BLT Built Design Awards

BLT Built Design Awards recognized the expertise of all professionals involved in the realization of outstanding projects; from **Architecture firms**, **Interior design Ventures** to **Construction Products**, and **Project Management**.

We look for outstanding projects, innovative processes, sustainable initiatives, and disruptive companies to become the most inclusive platform raising awareness and bringing the spotlight on all professions involved in the realization of new infrastructures.

BLT Built Design Awards encompasses all forms of buildings, projects, and infrastructures that cope with today's urbanization challenges and inspire the next generations.

BLT Built Design Awards

Four Annual programs

We focus on celebrating Projects, People, and their passion for the industry, and through our rigorous judging process, we recognize those that have gone above and beyond.

Architectural Design of the Year is awarded for single projects created in the last five years, they must be aesthetically impressive, show evidence that today's challenges are taken into consideration such as social impacts, environment friendliness, energy utilization.

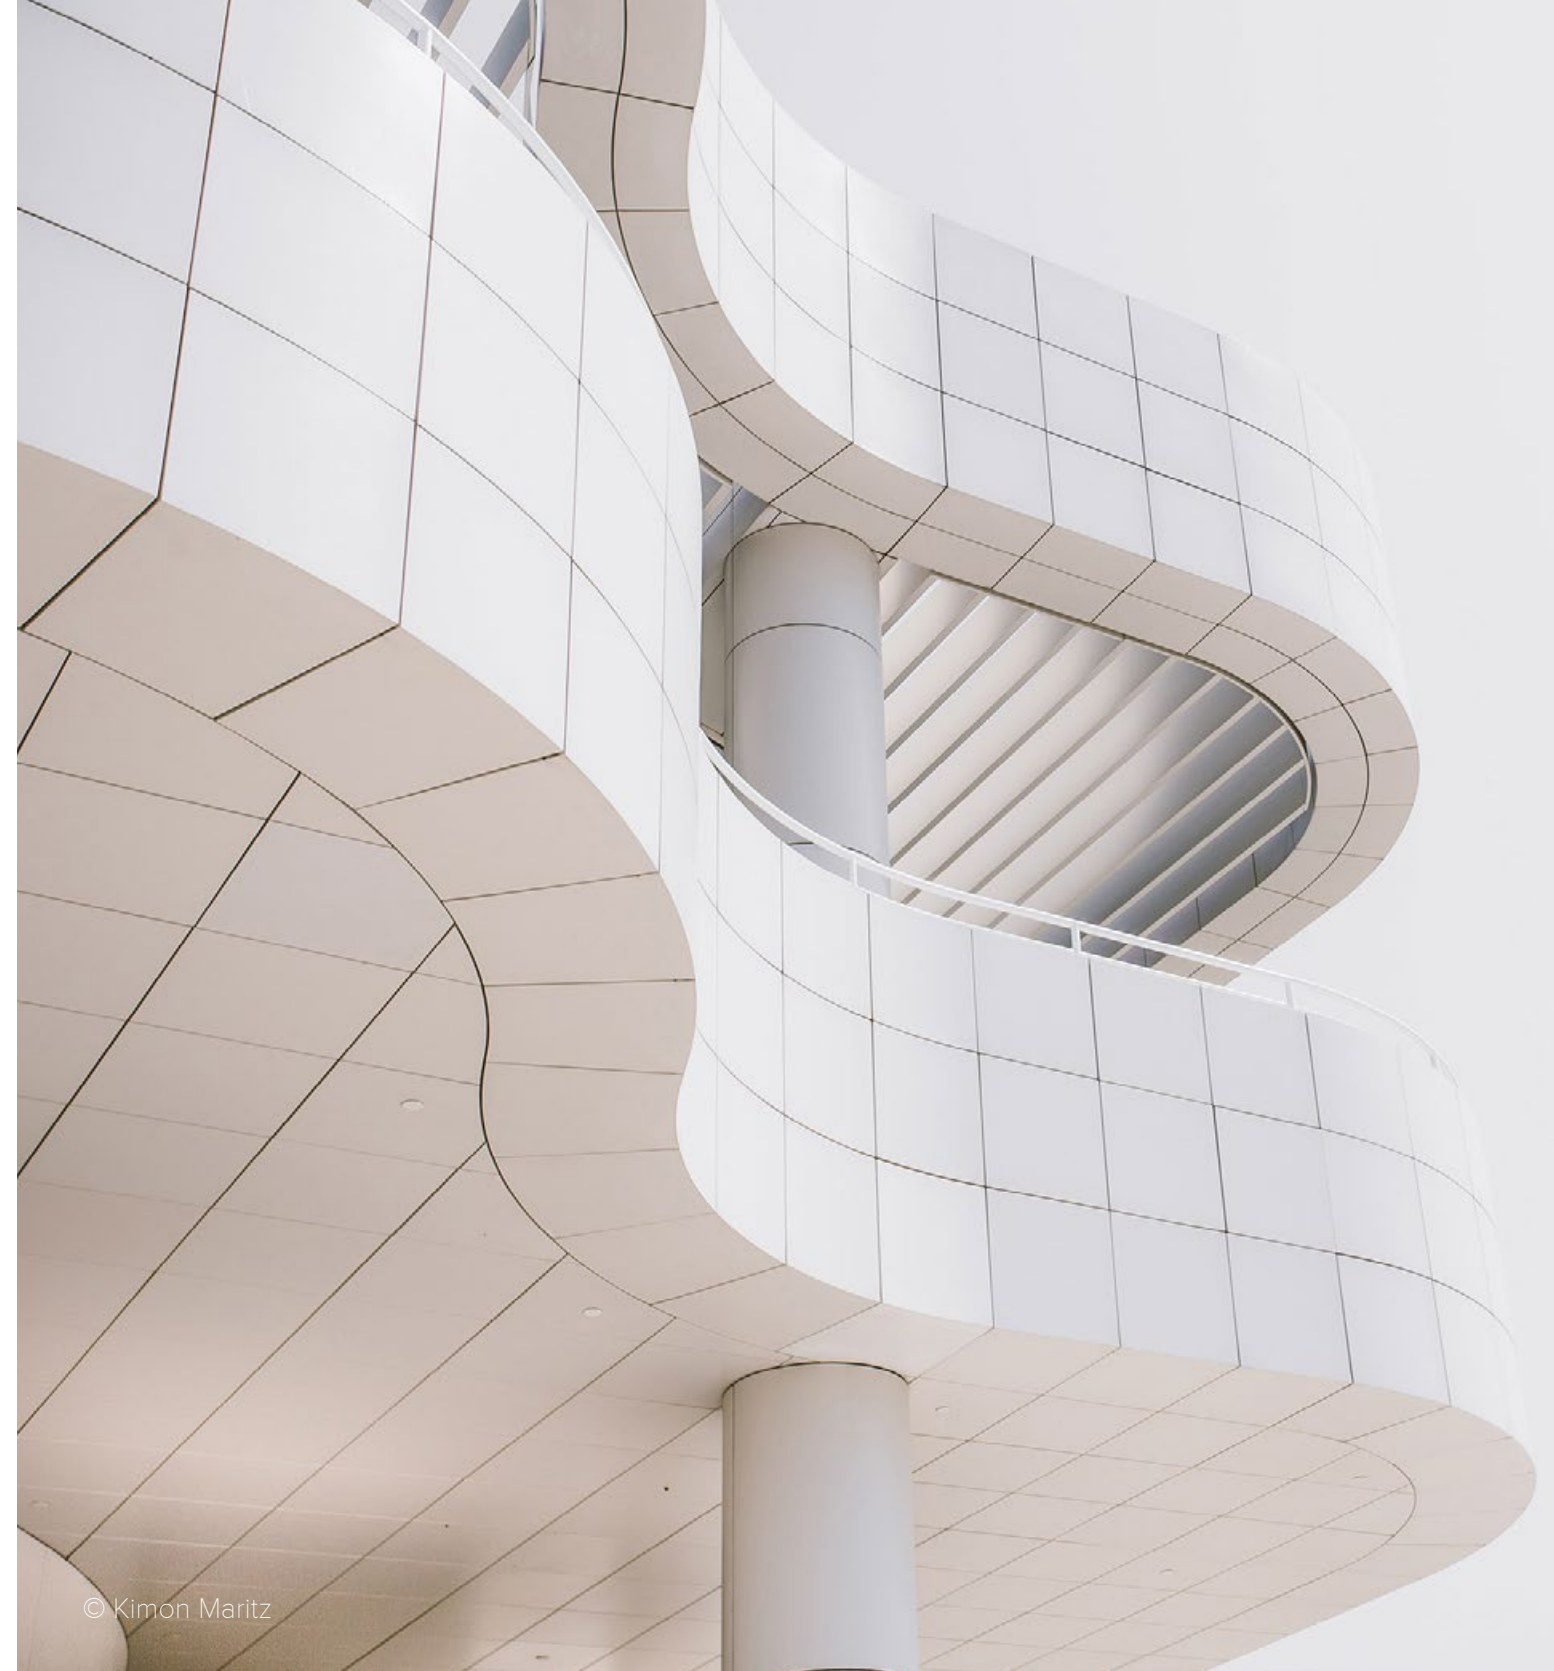

Interior Design of the Year rewarded outstanding projects that set new excellence standards and respond to today's challenges such as how to increase the quality of interactions between people, how to facilitate them to connect and collaborate in spaces designed to merge workstyle with lifestyle.

Construction Product of the Year recognizes the most outstanding products and materials being durable, sustainable or smart, every architect and designer know it takes spectacular construction products to make their design a reality. From roofing to the solar panels to the concrete surface, as long as your product is a part of a building, it is eligible for entry.

Project Management of the Year is awarded to the most advanced project management techniques and systems overseeing the planning, design, and construction of a building, from its beginning to its end. From health and safety to Purchasing and delivering software, Scheduling and Design Software, this award is dedicated to all companies behind the scene and playing a major role in the industry.
